Introduction

- 1 The purpose of this Sri Lanka Related Services Practice Statement 4751 (SLRSPS 4751) is to establish Standards and provide guidance on the circular no 29 issued by the Insurance Board of Sri Lanka (IBSL). This circular requires the external auditor of the insurance companies to report on the entity's compliance with the circular in addition to the requirements in section 47(2) of the Regulation of Insurance Industry Act, No. 43 of 2000 (Act) commencing from the financial year ending 31st December 2010.
- 2 The Institute of Chartered Accountants of Sri Lanka (CA Sri Lanka) was requested by the IBSL to develop a guidance to practitioners to comply with the above circular. CA Sri Lanka considered international practice and technical guidance in audit practices to formulate an "agreed upon procedure" under the principles set out in Sri Lanka Standards on Related Services 4400 (SLSRS 4400).
- 3 CA Sri Lanka believes this practice statement will provide a useful guidance to practitioners. This guidance also illustrates the responsibilities of auditors and directors in fulfilling the requirements enunciated by the above circular issued by the IBSL. In addition, illustrations of an engagement letter, report and an annexure to the report on factual findings are provided to assist the practitioners in reporting requirements.
